

## With Standard SC & MC Style Cutting Assemblies Non-Dual Guard™

Outfits

**HEAVY DUTY OUTFIT  
SC-510T/SC-300T**

### CLASSIC HEAVY & MEDIUM DUTY TOOLBOX OUTFITS

**OXYGEN-ACETYLENE COMBINATION OUTFITS**  
HEAVY DUTY CUTS TO 8" (203mm)  
MEDIUM DUTY CUTS TO 6" (153mm)

These premium outfits feature a rugged, high impact toolbox to safely transport the outfit components. Outfits include the traditional, lighter weight SC & MC style cutting attachments. Cutting attachments and torch handles are covered by Smith's "Lifetime" Warranty, the very best in the industry. Regulators are covered by a 3 year limited warranty. These outfits also feature rugged, highly accurate Series 30 regulators with shatter resistant, polycarbonate gauge lenses. Regulators are designed with Smith's Sure-Seal™ high pressure seat technology for extended regulator life. An American Classic Outfit, all made in the U.S.A.

*Outfits include reverse flow check valves, heating tip, welding tip, cutting tip and accessories. Safety and Operations manual also included.*

**MEDIUM DUTY OUTFIT  
MC-510T/MC-300T**

**Regulators Covered by a  
3 Year Limited Warranty**
